

SOCIAL ICE DANCE FORM

The social ice dance is open to all U.S Figure Skating members and is being hosted by the FSC of Bloomington in conjunction with the 2010 U.S Adult Championships.

You are invited to a social ice dance session after the conclusion of the 2010 U.S Adult Championships. This is a great opportunity to meet and enjoy other ice dancers in a fun, noncompetitive atmosphere. Dances of all levels will be played, and special requests will be allowed. U.S Adult Championship competitors, coaches and officials will have priority with advanced registration.
