

FSCB MEMBERSHIP LEVELS AND REQUIREMENTS

Junior Club: Junior Club is a program designed to make the transition from Skate School to the club an easy step. Junior Club is part of the FSCB. Junior Club skaters meet weekly with a FSCB Home Club coach of their choice for a private lesson. Junior Club skaters can also buy into additional club ice time if they would like to skate more than once a week. Junior Club membership is valid for one calendar year from the point of registration. Volunteering and fundraising for FSCB is encouraged, but not required.

Introductory: Introductory members have completed one calendar year as a Junior Club member, but are not yet ready to move to a full Home Club membership. Introductory members are eligible for one year as an Introductory member before moving into a Home Club membership. This membership level allows a skater to work toward their skating goals with a home club coach, via private lessons. Introductory members must contract 1 session per contract and have outstanding invoices paid to remain a Member-In-Good-Standing. Volunteer and fundraising requirements are to be completed from July 1 to June 30. Volunteer requirement is 4 hours, with 2 of the 4 volunteer hours served at the Skate Bloomington competition. Fundraising requirement is \$50.

It is the next step up in a skater's progression after the Junior Club or for skater transferring from another club. Home Club members must contract at least two sessions per contract and have outstanding invoices paid to remain a Member-in-Good-Standing. Volunteer and fundraising requirements are to be completed from July 1 to June 30. The volunteer requirement is 16 hours, with 6 of the 16 volunteer hours served at the Skate Bloomington competition. The fundraising requirement is \$150 for Preliminary and Below Free Skate level and \$300 for Pre-Juvenile to Senior Free Skate level. Families with 2 or more skaters will be responsible for \$100 for each additional skater.
